

### A sample of what your child will be learning in 4<sup>th</sup> grade Language Arts:

- Describing basic elements of stories – such as characters, events and settings
- Paying close attention to key features of informational books and articles
- Comparing ideas, characters, events, and settings in stories and myths from different cultures
- Paraphrasing and responding to information presented in discussions
- Reporting orally on a topic or telling a story with enough facts and details
- Writing complete sentences with correct capitalization and punctuation
- Relating words that are common in reading to words with similar and opposite meanings

### Here are some activities you can do with your child to support Language Arts learning at home:

- Urge your child to use logical arguments to defend his or her opinion. If your child wants a raise in allowance, ask him or her to research allowance systems and, based on that research, explain reasons why, supported by facts and details.
- Talk about the news together. Pick one story in the news, read it together, and discuss with your child what it means.
- Keep books, magazines and newspapers at home. Make sure your child sees you reading.

### A sample of what your child will be learning in 4<sup>th</sup> grade Math:

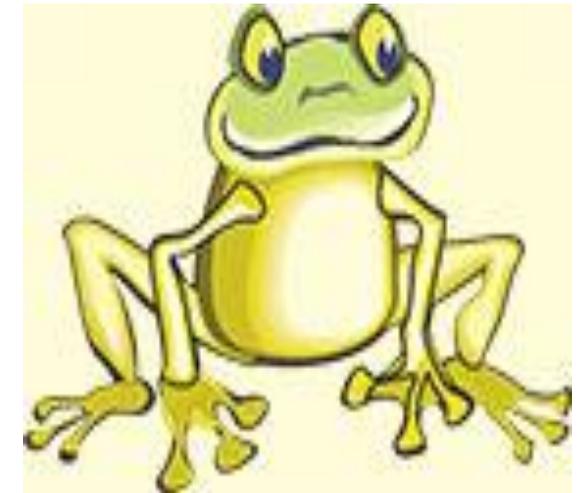

- Using whole-number arithmetic to solve word problems
- Adding and subtracting whole numbers quickly and accurately
- Multiplying and dividing multi-digit numbers in simple cases
- Understanding and applying equivalent fractions
- Adding, subtracting, and multiplying fractions in simple cases and solving related word problems
- Understanding simple decimals in terms of fractions
- Measuring angles and finding unknown angles in a diagram

### Here are some activities you can do with your child to support Math learning at home:

- Look for “word problems” in real life. Some fourth grade examples might include:*
- Ask your child to compare numbers using phrases like “times as much.” For example, if the family cat weighs 8 lbs. and the family dog weighs 56 lbs., how many times as much does the dog weigh compared to the cat.
  - Ask your child to help you compare fractional amounts – for example, if one recipe calls for  $\frac{3}{4}$  of a cup of oil, but another calls for  $\frac{2}{3}$  of a cup of oil, which recipe calls for more oil?

## What does it mean to be a Title I school?

- The emphasis in a school-wide Title I school is on serving all students. School-wide programs maximize the impact of Title I funding in that all students in the school are served as funds are used to improve the entire educational program.

## What is a family/school compact?

- A family-School Compact is an agreement between parents, students and teachers. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

## Reedy Creek's Goals for student achievement:

- Reading – By June 2016, Reedy Creek students will meet or exceed growth and AMO targets in reading as measured by EOG tests and reported by EVAAS.
- Math – By June 2016, Reedy Creek students will meet or exceed growth and AMO targets in mathematics as measured by EOG
